NOTAS DEL EVENTO CORPORATIVO

NOTA
(13/11/2026) Details of the Capital Increase transaction The Board of Directors has set the terms and conditions of the Capital Increase and of the related rights offering to shareholders (the “Offer”), as follows. In execution of the Capital Increase, a maximum of 208,516,998 Juventus ordinary shares will be issued (the “New Shares”), without a stated nominal value and having the same characteristics as the Juventus ordinary shares already outstanding and with regular dividend entitlement, to be offered with pre-emptive rights to eligible shareholders of the Company pursuant to Article 2441, paragraph 1, of the civil code at a ratio of 1 New Share for every 2 Juventus shares held, at a subscription price of € 0.96 per New Share (the “Subscription Price”), to be allocated as to € 0.04 to share capital and as to € 0.92 to share premium. The maximum total amount of the Capital Increase will therefore be € 200,176,318.08. The share capital of the Company, in case of full subscription for and payment of the New Shares, will be equal to € 25,072,039.72. The Subscription Price includes a discount of 28.36% with respect to the theoretical ex-right price (Theoretical Ex Right Price or “TERP”) of Juventus ordinary shares, calculated according to current methodologies on the basis of the reference stock exchange price of Juventus shares as of 12 November 2026. As already announced, it is confirmed that the Capital Increase does not qualify as a highly dilutive capital increase pursuant to Consob Communication No. 88305 of 5 October 2016 and to the Borsa Italiana regulations. The New Shares will be automatically admitted to trading on the regulated market Euronext Milan, organised and managed by Borsa Italiana S.p.A. (“Euronext Milan”), from their respective issue date, in the same manner as the Juventus ordinary shares already outstanding. With regard to the timetable of the Offer, as already announced on 11 November 2026, it is expected that: • the pre-emptive rights for the subscription of the New Shares (the “Rights”) may be exercised, under penalty of forfeiture, from 16 November to 1 December 2026 (inclusive) (the “Subscription Period”).
