

Unusual movements

Qualitas Controladora, S.A.B. de C.V. ("Qualitas", "the Company" or "the Group") (BMV: Q*), informs its shareholders and investment community that, in relation to the unusual movements presented today in the operation of the shares identified with the ticker "Q*", it is not aware of the causes that may have originated them, and these correspond to market conditions.

With the information available to the issuer up to this moment, and once the procedure to gather information in accordance with Article 53 of the General Provisions ("Disposiciones de Caracter General" by its name in Spanish) applicable to issuers of shares and other participants in the exchange market has been carried out, the Buyback Fund operated on the reported date, with the operation being conducted within normal operational parameters. To the best of its knowledge, no board member and/or executive had any transactions today.

If after a more exhaustive review, additional information is identified in this regard, it will be disclosed no later than the next business day by this same mean and as established by the regulatory framework. This clarification is made at the request of the Mexican Stock Exchange and in compliance with Article 50 of the Issuers' Single Circular ("Circular Única de emisoras" by its name in Spanish) and provisions 4.046.00 and 4.047.00 of the Internal Regulations of the Mexican Stock Exchange.
