S&P Global Ratings modifies Grupo Rotoplas' Rating to 'mxA+' with a Stable Outlook

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA*) ("Rotoplas" or "The Company"), leader in water management solutions in the Americas, informs that S&P Global Ratings has modified the following ratings:

- The national scale issuer credit rating has been changed to 'mxA+' with a stable outlook from 'mxA-' with a stable outlook.
- The long-term debt rating of the AGUA 17-2X certificates on a national scale has been changed to 'mxA+' with a stable outlook from 'mxA-' with a stable outlook.

S&P Global Ratings highlights that the Company maintains a healthy debt profile and adequate liquidity, enabling it to continue executing its strategy and adapting to market conditions. Additionally, the rating adjustment reflects S&P Global Ratings' view on the high degree of unpredictability surrounding U.S. government policy implementation and potential responses, particularly regarding tariffs, and their potential impact on economies, supply chains, and global credit conditions.
