## **Rotoplas Publishes Its 2025 Sustainable Development Impact Disclosure (SDID)**

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA\*) ("Rotoplas" or "The Company"), leader in water management solutions in the Americas, informs the investing public that today it published its 2025 Sustainable Development Impact Disclosure Report ("SDID").

The SDID is a reporting framework that connects a company's business strategy with measurable outcomes aligned with the United Nations Sustainable Development Goals (SDGs). Unlike a traditional ESG report, it establishes explicit targets and a clearly defined theory of change, which are reported on annually.

As the first company in Latin America to adopt this framework last year, Rotoplas is now presenting its second consecutive edition, documenting the progress of its sustainability strategy and its contribution to SDGs 6, 8, 12, and 13.
