NOTAS DEL EVENTO CORPORATIVO

NOTA

18/09/2024

The Board has unanimously adopted resolutions approving and recommending to our stockholders for their approval the Proposed Certificate of Incorporation that would, effect at the discretion of the Board, a Reverse Stock Split of all outstanding shares of the Company's Common Stock into a lesser number of shares of Common Stock at a ratio in a range of 1-for-20 to 1-for-40.

No scrip or fractional shares would be issued if, as a result of the Reverse Stock Split, a registered stockholder would otherwise become entitled to a fractional share. Instead, Danimer would pay to the registered stockholder, in cash, the value of any fractional share interest arising from the Reverse Stock Split (without interest).
