USNW A AllianceBernstein National Municipal IncomeFund, Inc. and AllianceBernstein Global High Income Fund, Inc. Announcement Regarding Planned Merger of Equitable and Corebridge PR NewswireNEW YORK, May 11, 2026 NEW YORK, May 11, 2026 PRNewswire AllianceBernstein Global High Income Fund, Inc.(NYSE. AWF) and AllianceBernsteinNational Municipal Income Fund, Inc. (NYSE. AFB) (each a Fund), eachannounced today that at in.person meetings of the Board of Directors (the Board) held on May 5.7, 2026,the Board voted unanimously approved a new investment advisory agreement and interim investment advisoryagreement with AllianceBernstein L.P. (the Adviser) containing identical terms to those in the current advisory agreement. The approvals were made in connection with the previously announced merger transaction(the Transaction) between Equitable Holdings, Inc., the holder of amajority of the partnership interests in the Adviser, and Corebridge Financial, Inc. Upon completion of the Transaction, each Fund s existing investment advisory agreement maybe deemed an assignment, as defined under the Investment Company Actof 1940, as amended (the 1940 Act), and as a result, will automatically terminate upon assignment. Pursuant to the 1940 Act, the new advisory agreement for each Fund requiresstockholder approval. It is anticipated that the advisory agreement proposal will be submitted to each Fund s stockholders at an upcoming special meeting of stockholders.

(Corebridge) (NYSE. CRBG) and Equitable Holdings,Inc. (Equitable) (NYSE. EQH) today announced that they have enteredinto a definitive agreement to combine in an all.stock merger, valuingthe combined company at approximately USD22 billion, based on the closing stock prices of each company as of March 25, 2026. The transaction will create a leading retirement,life, wealth and asset managementcompany with formidable distribution capabilities, enhanced scale anda diversified portfolio of businesses with well. established global brands. It unites two customer.centricorganizations committed to a shared vision of empowering our clientsto retire with confidence, and thecombined company will serve over 12million customers. Together, Corebridge and Equitable will have a highly attractive financial profile that will deliver higher growth and value creation for both companies shareholders. The combined company will have USD1.5 trillion in assets under management and administrationacross Individual Retirement, GroupRetirement, Asset Management, Wealth Management, Life Insurance and Institutional Markets. Mark Pearson,President and Chief Executive Officer of Equitable, said, This is a transformational transaction that brings together three outstanding franchises . Corebridge, Equitable, and AllianceBernstein . to create a diversified financial services company uniquely positioned to serve customers and deliver long term valuefor shareholders. By combining complementary capabilities and scale, we will enhance what we can deliverfor clients . more choice, broaderaccess to investment and retirementsolutions and the strength of an industry leader with a stronger balance sheet standing behind our promises. I am excited about what lies ahead and look forward to working closely with Marc Costantini and thecombined company board to shape thenew company. Together, we will leverage both companies strengths to enhance what we can deliver for customers and shareholders alike. MarcCostantini, President and Chief Executive Officer of Corebridge, said,The combined company will benefitfrom a strong competitive positionand accelerated growth across retirement, life and institutional markets, as well as asset and wealth management. With a world.class, multi.channel distribution network and anexpanded offering of innovative products, we will create a balanced and resilient business well positioned to serve customers. Together, wewill continue to support financialprofessionals and institutions inhelping individuals plan, save forand achieve secure financial futures. Importantly, upon closing, thistransaction is expected to delivercompelling value to shareholders, including immediate accretion to earnings per share and cash generation, increasing to over 10PCT by the end of 2028. I have great respect for the business Mark Pearson and theEquitable team have built and am confident our cultural alignment will bolster our ability to execute with success. Satoshi Asahi, President of Nippon Life Insurance Company(Nippon), added, The proposed merger is strategically compelling andhas the potential to create a morecompetitive and resilient platformfor the long.term benefit of the combined companies shareholders. Nippon s three representatives servingon the Corebridge board of directors voted in favor of the transaction. Nippon expects to continue as along.term strategic investor. Strong Strategic Fit with Meaningful Financial Upside Creates a Leading U.S. Retirement, Life, Wealth and Asset Management Platform. The combinedcompany will benefit from a scaleddistribution network, more diversified business mix and increased cross.selling opportunities. With expanded offerings across Individual and Group Retirement, enhanced wealthand third.party asset management capabilities and additional capacityfor institutional transactions, the combined company will be well positioned to better serve customers and drive sustainable, long.term growth for shareholders. Expands Origination Capabilities Across All Asset Classes. The combined company will benefit from Equitable s strategic partnership with its majority.owned subsidiary, AllianceBernstein, aleading global active manager withdistribution in 21 countries across retail, institutional and privatewealth channels as well as asset origination capabilities that are complementary to Corebridge s. Over time, the combined company expects to shift over USD100 billion of Corebridge s general and separate account assets to AllianceBernstein, further enhancing its scale and competitive positioning. Unites Two Customer.Centric Organizations with a Shared Vision. The combined company will maintain its focus on disciplined risk management and operationalrigor while accelerating its digitization and technology transformation. It will have increased resourcesas well as access to data systemsand advanced technological infrastructure, allowing additional investment in growth initiatives and faster realization of economies of scale. This will support the combined company s transformation and modernization of the customer experience, particularly for its Individual andGroup Retirement businesses. Creates Superior Financial Profile with Increased Cash Generation. On a pro.forma basis, the company will havediversified sources of income, witha balanced mix between fees, spreads, and underwriting margin. The combined company is expected to deliver more than USD5 billion of operating earnings1 and generate over USD4 billion of cash2, increasing financial flexibility to invest in strategic growth initiatives while alsoreturning capital to shareholders.Combines Two Strong Balance Sheetsand Enhances Financial Flexibility. At year.end 2025, Corebridge hada Life Fleet RBC Ratio of approximately 435PCT and holding company cash of USD2.3 billion, while Equitable had a Combined NAIC RBC Ratio ofapproximately 475PCT and holding company cash of USD1.1 billion. On apro.forma basis, the combined company will have over USD30 billion ofshareholders equity excluding AOCIand a leverage ratio of 26PCT3. Immediately Accretive to Earnings PerShare and Cash Generation. The transaction is expected to be immediately accretive to the combined company s earnings per share and cash generation, increasing to over 10PCT by the end of 2028. Earnings per share is expected to be resilient across market cycles, driven by a morebalanced mix of spread, fee and underwriting margin income. The combined company expects to see an adjusted return on equity of more than 15PCT4 by the end of 2027. Realizes Meaningful Synergies. The transaction is expected to deliver various synergies, including revenue, expense, capital and tax synergies. The combined company expects more than USD500 million of run. rate expense synergies by the end of 2028, primarily from the consolidation of functions, information technology systemsand vendor partners. 1 Reflects combined adjusted aft
